1+2 Language Policy in Scotland. Looking forward to 2020 and beyond. Launch of UCMLS Cross-Sector Action Plan Proposals

After extensive consultation with stakeholders across Scotland we hope you will join us at this important national event in the prestigious Glasgow City Chambers. We will present our achievements to date in support of 1+2 and introduce the action plan proposals to help to make 1+2 a reality in all Scottish education sectors and the wider society. We invite you to contribute your views before we publish the definitive plan by the end of March 2017.

Please note that this event has been planned to also allow attendance at the Language Show Live in the afternoon or the following day. (Glasgow SECC)

Organised by UCMLS and SALT. We are very grateful to Glasgow City Council for their support.
