

# LFEE EUROPE IMMERSION COURSES in FRANCE and SPAIN 2016-2017

**LFEE Europe has been an international course provider since 2002.** Our team of experienced and fully qualified native teachers are committed to promoting French and Spanish language and culture throughout Europe.

Participants are encouraged to speak French/Spanish as much as possible in social situations and on the cultural excursions. Different levels are catered for as the class is often broken into smaller groups. The methodology sessions focus on techniques which enable teachers to involve all pupils in learning through the medium of French/Spanish. A cross-curricular approach is favoured and all activities are transferable to the teaching of all Modern Languages.

**Funding** for all our courses is available through the **European Union Erasmus+ Programme**. More than one teacher can apply from your school and successful schools will receive **a grant of up to 2,165€ per teacher**. The total cost of the course (course fee, accommodation and subsistence fees) is 1700€ which leaves about 500€ for travel expenses. Contact us for further information about budget.

Please pre-register with us as soon as possible to receive guidelines to help you apply for the Erasmus+ funding. Places are allocated on a first come first served basis.

**The deadline for schools to apply to the British Council for Erasmus+ funding is 2 February 2016.**
