

LFEE EUROPE IMMERSION COURSES in FRANCE and SPAIN FROM SUMMER 2015 TO SPRING 2016

LFEE Europe has been an international course provider since 2002. Our team of experienced and fully qualified native teachers are committed to promoting French and Spanish language and culture throughout Europe.

Our courses are fun and motivating and will help you implement the Scottish Government **1+2 language initiative** and enhance your **Professional Review and Development** profile.

Participants are encouraged to speak French/Spanish as much as possible in social situations and on the cultural excursions. Different levels are catered for as the class is often broken into smaller groups. The methodology sessions focus on techniques which enable teachers to involve all pupils in learning through the medium of French/Spanish. A cross-curricular approach is favoured and all activities are transferable to the teaching of all Modern Languages.

Funding for all our courses is available through the **European Union Erasmus+ Programme** (formerly Comenius In-Service Training). More than one teacher can apply from your school and successful schools will receive funding which **covers all expenses** for our courses: course tuition fee, subsistence and accommodation, as well as travel.

Please contact LFEE **as soon as possible** to pre-register and receive guidelines to help you apply for the Erasmus+ funding. Places are allocated on a first come first served basis (Expected Erasmus+ application deadline: January 2015)
