

## Crossword challenge

Use the following answers to devise clues to make up your own crossword. You can write your clues in English, but they have to match the answers in the list.

You can then add more of your own, but they must be either a character from the story or words in French that link to the story.

Once you have decided on your clues, you can visit <http://www.crosswordpuzzlegames.com/create.html>

Mebere

les poissons

l'araignée

Nissim

un arbre

Sekume

l'inondation

Fam

un éléphant

le nez
