Engage with Strathclyde, Future Direction of Subject Specific Professional Learning for Teachers -

Join us at the Ramshorn Building for an inspiring in-person session with Stuart Farmer, Institute of Physics (IOP), and Fhiona Mackay, Scotland's National Centre for Languages/Confucius Institute for Scotland's Schools, to hear about the opportunities, benefits and issues around subject-specific professional learning (SSPL) and explore how they might be improved across the curriculum.

[Engage with Strathclyde - Future directions for subject-specific professional learning for teachers: opportunities and benefits > SCILT](#)

DYW Live, Languages and Your Career (15 May & 11 June) - SCILT is going to be offering two more online Languages and Your Career sessions for young people in secondary schools.

[DYW Live - Languages and Your Career > SCILT](#)

DYW Live Make Languages work for you (16th of May) - our session for learners (P4-P7) in primary schools to help them consider the language and employability skills they're already developing.
