

FOKUS: FILMS FROM GERMANY

FILM SCREENINGS FOR SCHOOLS

We're delighted to be screening two films to schools as part of Fokus: Film from Germany, a Scotland-wide event featuring innovative, inspiring and challenging films by Germany-based directors. The festival is jointly organized by Goethe-Institut Glasgow and Filmhouse Edinburgh.

MY FRIEND RAFFI

RETTET RAFFI!

Suitable for P4 - S3, Modern Languages (German)

Dir.: Arend Agthe, Germany 2015, 1h37m, German with English subtitles

Raffi the hamster is 8-year-old Sammy's pet and best friend. The little rodent is something very special – he can sniff smuggled goods better than a tracker dog. When Raffi is kidnapped by a ruthless criminal, Sammy goes on an adventure through the city of Hamburg to rescue his friend. Screening as part of Fokus: Films from Germany.

Please note, these screenings are for school groups and home-schooled children with accompanying adults only. Pre-booking required! For information about ticket prices please contact the cinemas.

A teaching resource for "Raffi" has been prepared by the Goethe-Institut Glasgow and is available at
