

## Downloadable Articles from Other Academic Journals

---

Date checked: 15 December 2015

### 1. [Foreign Language Annals](#)

Journal published by the American Council on the Teaching of Foreign Languages Inc.

### 2. [Language Learning & Technology \(LLT\)](#)

Open and free-access journal. Selected titles from [Volume 19 Issue 3 October 2015](#):

- “I Am What I Am”: Multilingual Identity and Digital Translanguaging
- Commenting to Learn: Evidence of Language and Intercultural Learning in Comments on YouTube Videos
- Wikipedia Writing as Praxis: Computer-mediated Socialization of Second-language Writers
- Digital Mindsets: Teachers’ Technology Use in Personal Life and Teaching

### 3. [Language Learning Journal - Current Issue](#)

LLJ is the official journal of the Association for Language Learning (ALL) and its focus is on language education in the UK. Although full access is only available to subscribers you can glean the most important details of the articles from their abstracts. The two most recent issues at time of going to press had as their focus ‘**Content and Language Integrated Learning**’ (CLIL).

**Most cited articles** <http://tiny.cc/LLJmostread>

The list of most read articles is updated every 24 hours and based on the cumulative total of PDF downloads and full-text HTML views from the publication date (but no earlier than 25 June, 2011, launch date of the website) to the present.

**Most cited articles** (<http://tiny.cc/LLJmostcited>)

This list is based on articles that have been cited in the last 3 years. The statistics are updated weekly using participating publisher data sourced exclusively from CrossRef.

### 4. [Language Teaching](#)

At time of going to press (December 2015) articles from the 2015 Annual Conference of the American Association of Applied Linguistics (AAAL) were available [here](#).

### 5. [Yazik Open Access Journal List](#)

Open Access Research in Teaching & Learning Modern Foreign Languages

### 6. **General Teaching Council for Scotland**

You can access a range of educational journals via your MyGTCS login <http://www.gtcs.org.uk/research-engagement/education-journals.aspx>
